

## Same National Brand Quality. But for Less.

### Huskee®

Molded of engineered resins with seamless construction, the Huskee is a strong, long lasting receptacle. Stackable with the lid on and nestable with the lid off. Although this can was designed for use as a trash can, the gray Huskee works great as a food bin.

**Pack Size:** 6 per case = 10 Gallons, 20 Gallons, 32 Gallons.

4 per case = 44 Gallons.

3 per case = 55 Gallons.

**Colors:** Blue, Green, Gray, Red, White, Yellow.

**Sizes:** 10 Gallons, 20 Gallons, 32 Gallons, 44 Gallons, 55 Gallons.

**Lid Sold Separately.**

\* See below for accessories.

### Wall Hugger™

Prevent messes and promote sanitary garbage disposal at your office, education facility, healthcare center, restaurant, and more. Made of heavy duty plastic, this trash can is built to withstand almost any environment. This receptacle can align with the wall, a cabinet, or desk. Because of it's small footprint, this trash can is ideal for kitchens, food trucks, and other venues

**Pack Size:** 4 per case.

**Colors:** Beige, Black, Gray.

**Sizes:** 23 Gallons

**Lid Sold Separately.**

\* See below for accessories.

### Mop Bucket Pack with Splash Guard™

Make mopping a breeze with an easy-to-use design that includes an oval bucket and nested, side-press wringer. This mop bucket and wringer combo is coated with a smooth, Derma-Tek™ finish which adds strength and makes it seamless, easy to clean, and ideal for high volume, everyday use. The non-porous construction is also resistant to chemical, liquid, and odor absorption as well as rust, chips, or dents. Continental's patented Splash Guard™ technology helps keep water in the bucket and off the floor.

**Colors:** Yellow.

### Wet Floor Sign

The Wet floor caution sign includes trilingual caution message on both 2 sides in English, French and Spanish).

**Size:** 12" x 26" H (30.48 cm x 66.04 cm)

**Colors:** Yellow.
