Made of Bagasse
Biodegradable

Provide convenience for your guests while at the same time, helping the environment. With its eye-catching marble texture, this box is great for your fresh salads, sides and desserts. Being heavy duty, these boxes will ensure that your guests' food gets home in one piece. Made from a Bagasse and wheat fiber blend, these products are not only great for the environment, but they'll help to give your business a positive image as well! Non-toxic, biodegradable, and compostable, the boxes will break down to reduce landfill waste. Help to conserve the environment for future generations, and make both Mother Nature and your guests.
