100% Compostable
Made of Bagasse

Provide convenience for your guests while simultaneously helping the environment with this green product. With its three-compartment design, with its eye-catching marble texture, this box is great for your fresh salad and signature entree to go orders, or for allowing your customers to take home their leftovers. Heavy duty, these boxes will ensure that your guests' food gets home in one piece. Non-toxic, biodegradable, and compostable, the boxes will break down to reduce landfill waste. Conserve the environment, and make both Mother Nature and your guests happy.
