Showcase your Salads & Signature Entrees

Withstands Oil Heated to 302°F, and Water Heated to 212°F

Provide convenience for your guests while at the same time, helping the environment. With its eye-catching marble texture, this box is great for your fresh salads, and signature entrees. Being heavy duty, these boxes will ensure that your guests' food gets home in one piece. Made from a Bagasse and wheat fiber blend, these products are not only great for the environment, they'll also help give your business a positive image! Non-toxic, biodegradable, and compostable, the boxes will break down to reduce landfill waste. Help conserve the environment, and make both Mother Nature and your guests happy.
