

## **Make School Lunch Fun and Eco-Friendly**

**Provide Convenience for Guests and Help the Environment**

**Pack Size: Case of 400**  
**GREE745253**

**Biodegradable**  
**100% Compostable**  
**Made of Bagasse**

**Provide convenience for your guests while at the same time, helping the environment. With its eye-catching marble texture, this school tray is great for your salads, sides and entrees. Being heavy duty, these trays will ensure durability. Made from a Bagasse and wheat fiber blend, these products are not only great for the environment, but they'll help to give your business a positive image as well! Non-toxic, biodegradable, and compostable, this product will break down to reduce landfill waste. Conserve the environment for generations to come, and make both Mother Nature and your guests happy.**
