All Florida Paper Awarded SMA's Navigator Award for having the Largest Percentage Increase in Purchases from Qualified Suppliers

Medley, FL – On June 11, 2015, All Florida Paper was honored for being recognized among the few distributors that received the Navigator award from the Strategic Market Alliance, a member-owned cooperative comprised of prominent distributors in North America who provide janitorial, sanitation, and foodservice packaging products and related services.

In order to receive the 2015 Navigator award, organizations must have increased their qualified supplier purchases by more than 10% from 2012 to 2013. All Florida Paper “attributes this award to the company’s strong partnerships with Dart Container and The Safety Zone, and their support of our mission, customers, and vision for the future” said an AFP representative. They continued by saying, “both Dart and Safety Zone have continuously shown their dedication to our customers by providing the most competitive pricing to compete in our market.”

All Florida Paper has been a proud member of the Strategic Market Alliance since 2013 and has seen tremendous growth not just in their own business, but also within SMA. As a company, “we are proud to be a part of such a great organization that looks out for its member distributors and we look forward to success into the future” said an All Florida Paper representative.

Some of the other companies receiving the award included Alliance Paper and Foodservice, Arrow Paper, Brady Industries, Liberty Distributors, and the Russel Hall Company.
