Pick-Up

as much or more dust and soil
than microfibers at a

Fraction of The Cost

Perfect for dusting in your restaurant, deli or bar. Its treated fabric and dust-catching pockets will hold in the smallest dust particles, and it's ideal for multipurpose use. It's also soft enough for delicate surfaces, yet strong and durable. Duster picks up more than any other yellow look-a-like duster on the market.

**Contact Your Local Sales Rep
For More Information**

- Item No: 0416
- Package Size: Case of 100.
- Color: Yellow
- Size of each towel: 24x24
- Dust-Catching Pockets - Adhesive bond process creates tiny dust-grabbing pockets activated by stretching.
- Saves Labor Costs - Reduce or eliminate use of traditional mops and the time, energy and hassle associated with prep and clean-up. Ergonomic design promotes less friction and motion which minimizes risk of injury.
