CONTEMPORARY CLEANING TECHNOLOGY:

Clothesline Fresh Oxygen Detergent EP brightens colors and whitens whites much more than using detergent alone. Infused with the active power of oxygen Clothesline Fresh Oxygen Detergent EP is a one-step solution for keeping fabrics clean and bright.

COMPLETE LAUNDRY SYSTEM:

Clothesline Fresh Oxygen Detergent EP is best when used as a part of a total laundry program. Combine with Break, Sour, and Softener EP for best results. Clothesline Fresh Oxygen Detergent EP is safe to use in all front and top loading laundry machines.

COLOR AND NUMBER SYSTEM:

Each Clothesline Fresh Laundry product has been color coded and number coded for easy product identification. All product information and literature, plus, each product label, carton and secondary label reflects this color and number, making training easier and faster.

DIRECTIONS FOR USE:

Some individuals may be sensitive to ingredients in this product. Before use, read product label and MSD sheet. If questions remain, consult your employer or a physician.

- Sort laundry by color and fabric type.
- Always read and follow care directions.
- Do not attempt to use Clothesline Fresh Oxygen Detergent EP without first testing an inconspicuous area on the garment.
- From care directions, choose proper wash cycle and water temperature.

- Do not overload washer with soiled laundry.
- Add Clothesline Fresh Oxygen Detergent EP
 - Top load washers: Use 1/8 to 1/2 cup (1 - 4 oz.) depending on soil load.
 - Front load washers: Use 1/8 to 1/4 cup (1 - 2 oz.) depending on soil load.
- For extremely soiled clothing, an extra wash cycle may be necessary.

Be sure to read all Directions, Precautionary and First Aid Statements on product labels before use of this or any Spartan product. If questions remain, consult your employer or a physician.
